# FAQ

## What should I bring?

Though most scriptures will be displayed on the screens, we encourage students to bring their Bibles, note-taking preference, toiletries, a small backpack, and spending money for additional purchases (i.e. meals, snacks, drinks, conference resources and merchandise). You are welcome to bring cell phones and other electronic devices, though excessive use during and outside conference sessions will be prohibited.

## What should I wear?

Casual, comfortable clothing is recommended. The auditorium is enclosed and air-conditioned, so temperatures may vary. We suggest wearing layers or bringing a light sweater, especially if you tend to get cold easily.

## Are there payment plans available?

Yes. You can set that up by emailing Esther Lopez at [elopez@harvestcity.church](mailto:elopez@harvestcity.church).

## Is there financial assistance?

Our heart is for every student actively involved at Harvest City to have the opportunity to attend the conference. To support this desire, we've already applied a \$65 discount to each registration. If finances limit your ability to participate, we may have a few upcoming fundraising opportunities for you. These opportunities are limited to active Harvest City students and are on a first-come, first-served basis. Please inform a youth team member of your desire to participate.

## Can I sponsor a student?

You can help sponsor a student with either a full or partial registration payment. If you are registering a student, there is an option to donate towards another participant. You can also give through our website at [harvestcity.church](http://harvestcity.church). Be sure to select the fund: **Wave Student Conference**.

## What is the refund policy?

At this time, registrations are non-refundable.

## Who will accompany the students?

Students will be accompanied by our Lead Pastors, Jonathan & Hera Clatt, Youth Directors, Isaiah & LJ Martinez, and members of our adult youth ministry. All chaperones have successfully completed our screening process and passed a criminal background check. Though appreciated, any additional support outside the team is not needed at this time.

## Can I register online?
